### **INTRODUCTION**

After some years of experience in assessing applications from parents for financial assistance, the committee has reached the conclusion that some parents do not provide enough information for their circumstances to be given proper consideration. The relative evaluation of applications from an objective viewpoint, is becoming more difficult with each succeeding year due to the increase in the numbers of families asking for assistance. The data we suggest you may wish to provide in this section is considered to be beneficial in enabling the disbursing committee to reach a balanced and reasoned decision based on common criteria.

### Please note that:

• Provision of this information is NOT compulsory but it is very difficult to assess need when no evidence of family income is provided.
